Below are some photos of the event 'Orientation about the benefits provided by the local authorities and councils'

The third programme of the project 'British Gurkha Community together' funded by National Lottery, Community Fund was organized in Northolt Park Social Club where the participants were mainly the senior members of Gurkha Nepalese Welfare Society UK. The programme was facilitated by Chartered Accountant Mr Lekhnath Ghimire. During the programme interactions and discussions were done on how to explore the benefits like council tax benefits, housing benefits and other possible benefits from Councils, HMRC and other sources especially for the low-income families and to the senior citizens.
